Gifts of Heart, Humor, and Inspiration

~ An American Company Since 1994 ~

Here at Olive Buggy LLC we produce gifts of heart, humor and inspiration. Each Litha Plaque is made by hand here in the United States. These plaques are the perfect gift item to have in your store! They are attractive in appearance, the price point is good, they travel well, and the messages are uplifting and humorous. My customers love to hear the laughter in their stores. Your customers can easily take them to several friends and family, and not overload luggage, or break their budget!

We update the sayings and our style from time to time and our customers keep laughing! We do love that! Each plaque goes through several firings of up to 2000 degrees. The process from start to finish takes several days so when ordering, please plan to allow three to four weeks to receive your order. Remember timing is everything!

Each of our wine sayings are hand painted on a square ceramic plaque measuring 3 1/4in x 3 1/4in and are finished off with a black satin ribbon hanger. They can be hung anywhere including around the neck of a good bottle of wine to add a little “more” to the gift of “wine”!

Wholesale pricing is as follows:

- All plaques are \$5 each plus shipping.

Wine Plaque Designs

There are two wine designs.

The first is called the “Sassy Girl” design which is black and white with a sassy face on it. I use a white glaze on the Sassy Girl plaques to give them a modern look. The other design is called the “Grape Vine” design and it is more colorful with a grape vine bordering the top corner of the plaque.
